## PERLICK'S NEW MARINE AND COASTAL GRADE UNDERCOUNTER REFRIGERATION WITH PERLICK ARMOR™

UNDERCOUNTER REFRIGERATION DESIGNED TO TACKLE THE ELEMENTS

Customers asked. We listened. Perlick created an upgraded version of our best-in-class undercounter refrigeration line designed to tackle the elements. Whether you own a home in coastal conditions, a boat, or a saltwater pool, the harsh effects of high-salt environments can wreak havoc and prematurely weather outdoor appliances. Perlick's new Marine and Coastal Grade Undercounter Refrigeration featuring Perlick Armor™ is built to endure the harshest environments while maintaining the consistent functionality and showroom quality finish you've come to expect from Perlick.

- Combines a mix of 316 and 304 stainless steel for food safety and easy cleaning, rather than plastics, which can be found in some marine grade products
- A protective coating is applied to the refrigeration system for increased durability
- Units come equipped with upgraded 18-8 stainless steel and zinc plated fasteners to ensure rust won't form in attachment zones
- Our Perlick Armor™ upgrade package is available on all our HP and HH Series residential models
